【Purchase Notes】:

-This product is only sold to buyers who have experience in installing related character models. Please do not buy if you have no installation experience!

-There is no after-sales service or customer service reception for this product!

-Minors are prohibited from purchasing!

-Please install it yourself after downloading!

-No refunds for any reason will be accepted after the order has been shipped!

【Need to provide after payment: Live broadcast platform + account ID, You can contact me on BOOTH or send me an email】

\*One order is authorized for one user (if you change the authorized account later, you can contact me on the BOOTH or send me an email). To facilitate your future use, please provide information in a timely manner.

\*Live streaming on multiple platforms requires separate purchases from corresponding platforms. It is prohibited to purchase multiple items based on the number of people. Once it is verified that there is no purchase authorization information, the live streaming account will be reported and banned, and a compensation of 5 times the product price will be paid.

For those who provide infringing users to our store and verify their authenticity, a reward of 3 times the selling price of the product will be given to those who successfully report the infringement. Our store will keep confidential the identity of the whistleblower and the information related to the reporting clues.

【In VTS, [shortcut key Z] can check our store's genuine anti-counterfeiting certification】

【Usage requirements】: Recommended facial capture software: VTuber Studio

【Instructions for use】:

1. The public leather models sold in our store are not physical or sold out, and the copyright belongs to our store. The art copyright has been registered, and it is prohibited to feed this model to AI;

2. After purchase, only personal use rights are authorized, and illegal profit-making behaviors such as resale, rental, sharing, and private dissemination are prohibited. The defaulter will be held legally responsible and compensated according to the severity of the infringement;

3. Allow personal profitable live streaming and video submissions, and the profits belong to the users;

4. It is prohibited to use this model for live streaming, submission, speech, or behavior that violates laws or public order and good customs on any platform;

5. It is prohibited to use this model to sign/authenticate with any platform;

6. It is prohibited to use this model to join unions and clubs;

7. It is prohibited to modify or delete the model shape, such as deleting model decorations, limbs, etc. It is allowed to add VTS pendants to the model body;

8. Allow users to make captain gifts, but prohibit commercial activities that use this model image for product sales and sales;

9. Allow users to perform VTS color correction on a small range of 20% of the model.

【Disclaimers】:

1. If the user fails to use the model in accordance with the behavioral norms of the live streaming platform, our store will not be responsible for any impact on the live streaming room;

2. We are not responsible for any live streaming, submission, speech, or behavior that violates the law or public order and good customs on any platform using this model;

\*The above responsibilities and consequences shall be borne by the user themselves.
